**How to Go Live on Facebook**

**Step 1**
From your page, click on the "Publish" icon.

**Step 2**
Click on the "Image" icon.

**Step 3**
Click Live Video.

**Step 4**
Add a description so your viewers will know what they are watching.

**Step 5**
Click Start Live Video.
A short countdown will begin to start your live video.

**Important:**
Be sure to turn your device to the orientation you would like to broadcast in before starting your video.
